The Kyser Quick Change Capo *America's Favourite Capo*

While the Kyser Quick Change Capo clamps firmly for on-pitch intonation, you can quickly release it and slide it up or down - or remove it in seconds without disturbing the tuning. Made of strong lightweight aluminium, the Quick-Change is designed to be operated comfortably with one hand and never interferes with your fingering. Rubber lining and sleeve won't mar or react with guitar finishes.

KGCB

Electric Guitar Quick Change Capo

Designed for the narrower necks and lighter gauge strings of electric guitars, this exceptionally strong capo has the same player-friendly features of our standard Quick-Change model but exerts less spring tension.

KGEB Electric Capo Black

Classic Guitar Quick Change Capo

Engineered for the wider neck and flat fingerboard of classical guitars, this capo also has a lighter force clamping action, ideal for nylon strings.

KBMB

12 String Guitar Quick Change Capo

Professional players tell us this is the ONLY capo with the precision and power to clamp all 12 strings (including the light E string with bass E), while maintaining intonation.

KG12B 12 String Capo Black

Banjo/Mandolin Quick Change Capo

A smaller but equally effective version of our standard Quick-Change product, this capo beats anything for clamping on a mandolin's paired strings.

KPA6

Kyser Pro-Am Capo

Preferred by many professional and recreational guitarists, the Pro-Am is a very low priced mechanical capo. Durable rubber sleeves won't mar or react with finishes and are replaceable.

Dr. Stringfellow Care Products

Our popular care products help to protect your investment, prolong the life of your guitar and strings, and make your instrument look and play its best.

Best Guitar Polish

This deep-cleaning polish protects wood finishes and even improves playing ease. It will not streak and contains no camauaba wax.

KDS500 Dr. Stringfellow Guitar Polish Box of 12

String Lubricant/Cleaner

Lubricating and cleaning strings not only prolongs string life against skin acids and other wear, but makes for easier fingering. Our lubricant/cleaner does not contain oils and is safe for any wood finish.

KDS100 (Not sold separately)

Lemon Oil

Formulated for fingerboards and other oil-finished wood surfaces, Lem-Oil cleans, polishes, preserves and protects against drying, cracking and wear, and tones down scratches and blemishes. Contains no waxes or synthetics.
